EXCLUSIVE!

It's *The Valleys'* Anna Kelle!

The MILF-y mentor from *The Valleys* on why fame rocks!

➔ IN MTV'S *The Valleys*, there's only one boss – and her name is Anna Kelle. While the other budding housemates fight, shout and generally behave like spoilt kids, former Royal Navy sailor AK tries – in vain – to keep up the standards of behaviour. We grabbed Anna, snapped her and asked what her favourite things about being famous are...

AK ON TWITTER!

You can follow Anna Kelle on Twitter @AKValleys. Catch up with *The Valleys* on mtv.co.uk.

"I call this pose the Mr Sheen!"

"B*gger, got my thumb stuck again!"

"Gah! Now both thumbs!"

"See how gravity alone takes my stockings off?"

Anna on... Being proposed to!

"I've had about 200 marriage proposals through Twitter! It's mad, they all either see me as a cougar or MILF figure. However, I'm still single – for now!"

Anna on... Getting sent stuff!

"I've had loads of things sent to me, particularly blingy jewellery and posh clothes. The thing I want most though is saucy underwear."

Anna on... Going to parties!

"I get invited to loads of parties and awards ceremonies, which means I can dress up and look glamorous. What could be better than that?"

Anna on... Becoming an agony aunt!

"I'm approached by girls all the time. Girls want advice on boys, clothes and whether they should have boob jobs or not. I think it's great!"

Anna on... Getting hit on!

"I've been chatted up by both lads and girls – lesbians really love me, but I'm only interested in men. Mr Right must be out there – perhaps he's reading this now!"

"How about a
game of 'catch'?"

High society

Men get to work on a pylon, 81 storeys up!

INCREDIBLY, THESE chaps are setting up 1,421 of these preposterous energy pylons, supplying high-voltage juice from Anhui province to Shanghai – that's 268 miles of cabling! Each pylon stands at 270m tall, which is just 60m short of

London's Shard tower, and is nearly three times taller than Big Ben.

With only flimsy rope ladders to scramble up, this is up there with shark dentistry, *Strictly Come Dancing* with bears and Premier League referee on the dangerous jobs scale!

DON'T LOOK DOWN!

"I dunno mate, I don't
reckon that tree would
break your fall"

WORDS: RORY BUCKERIDGE PHOTOS: REX

A quick word with Robbie Williams!

It's the Robster on his new clothing range, going bonkers and crap songs!

Hello Robbie! By the looks of the photos you've posted on Twitter quite recently,

you've been seriously hitting the gym for your latest comeback. Are you modelling your muscles on anyone in particular?

My grandad. He was called "Jack The Giant Killer" and he was built like an Irish navvy. When my dad left when I was two or three, he took over as the male figure in my life. He taught me to box and we did loads of strength training. I think he thought I'd turn into a wuss otherwise!

You grew a beard a few years ago and got really into UFOs. Did you go a bit mad?

All I've ever done since I was 16 and joined Take That is make an album, promote an album, tour an album. It burned me out and I wanted to do something else. At the time – which happens to me occasionally – I thought I was never going to be a pop star again. So I thought that "something else" was to make documentaries about

UFOs and the paranormal. But it didn't work out. It just made me weird and, at the time, fat. Weird and fat with a beard looking for UFOs!

Does your missus laugh at your early days in Take That?

She does! I showed her the video for [first ever Take That single] *Do What You Like*. We'd got £60 each to go and buy an outfit and were styled by Jason Orange. It's me in a pair of pit boots, all-in-one Lycra with "Champion" written down the side and a leather jacket with tassels and silver bullets. I played it to my wife and was like, "Look, this is funny." She laughed for too long. I thought I was laughing along with her and I was like, "Stop now!"

But she must think you're talented for writing songs like *Angels*?

People don't think I write the songs. I've got used to that over the past 20 years. Actually, they do believe that I write the songs but only if they're crap. *Rudebox* – I definitely wrote that.

You've just launched your own line of clothing, Farrell. Erm, fashion? Have you gone bonkers again?

Oh yeah, definitely! I was delusional enough to believe I could be a singer and to think I could sell albums, and delusional enough to think I might be in a stadium performing to people. I live in America where pop stars and actors

all seem to diversify what they do into a multitude of things. I thought if I could write a song, I could do a clothing line too!

Victoria Beckham designs clothes and Liam Gallagher has his own Pretty Green label. Will you be doing swapsies?

Well, Victoria's is ladies' high-fashion couture! Liam's is similar but not the same vibe. My clothes are more World War One Winston Churchill stuff. Liam's are more '60s mod, maybe '90s.

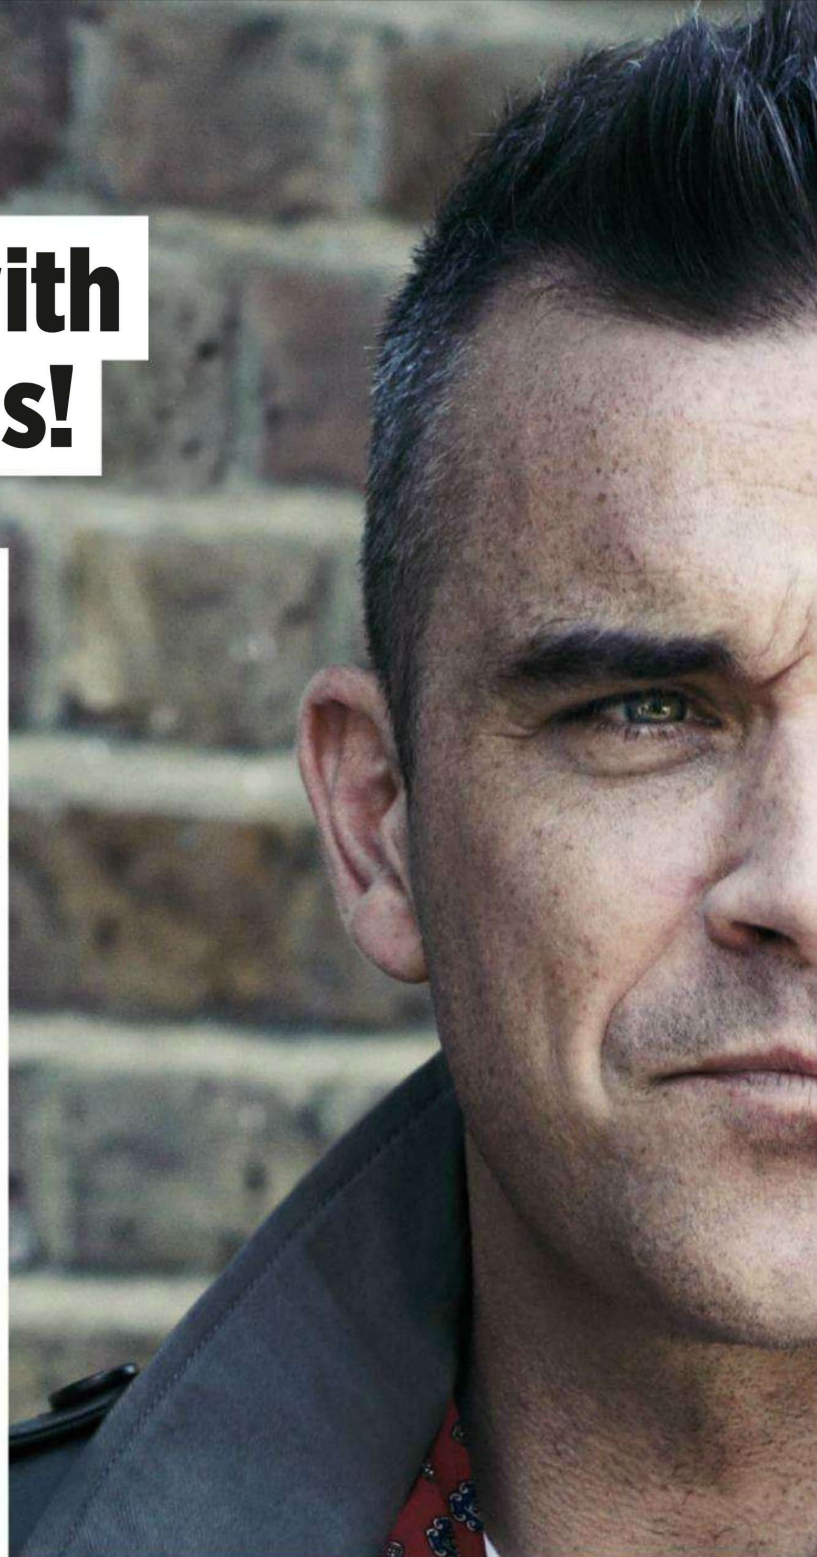

If we can achieve what Pretty Green has achieved, that would be brilliant. And if we could charge £36,000 like Victoria, we would!

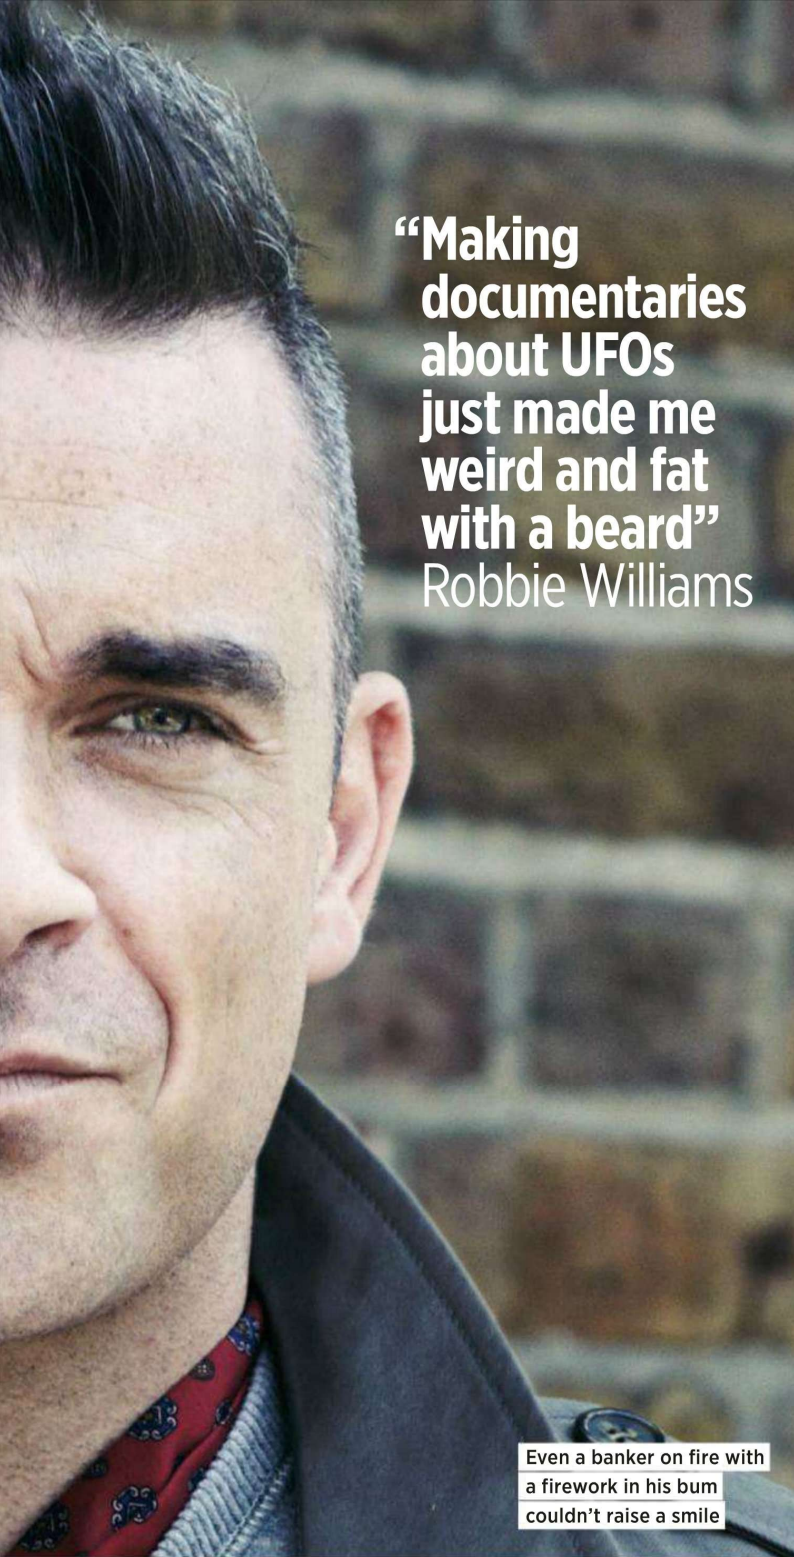

Will you be giving samples to your Take That boys?

I'd love them to wear Farrell – but they won't be getting it for free! I'd love anybody to wear it, especially Mo Farah and Usain Bolt. Or Daniel Craig. Any James Bond can wear it, apart from Timothy Dalton!

"BUY MY CLOTHES!"

Robbie's new clothing range, Farrell, is available at farrell.co.uk and selfridges.com.

“Making documentaries about UFOs just made me weird and fat with a beard”
Robbie Williams

Even a banker on fire with a firework in his bum couldn't raise a smile

Maybe you should do something outrageous to try and reinvent men's fashion – like the three-legged trouser?
The three-legged trouser would be good. Ha-ha!

You used to sell double-glazing door-to-door for a living. How did you feel when you got your first pay cheque?
I walked into a shop in Stoke, proud as punch, and went, “Can you cash this cheque?” It's gone downhill since!

How about your first pay cheque from Take That – what did you spend it on?
I think I spent it on a nice three-quarter-length coat. It was by Versace and I felt the b*locks in it. He must have left them in there. Ha-ha!

Thanks, Robbie! Finally, if you could sum up your life in one of your own songs, which song would it be?
Come Undone. Ha!

EXCLUSIVE!

Family Guy game first play!

Nuts gets hands on with *Back To The Multiverse!*

➔ AS GAMING macguffins go, it's flimsy. Strange-headed baby Stewie Griffin has had his Multiverse remote (which allows access to alternate universes) stolen by arch enemy Bertram. Cue Stewie and talking dog Brian suiting up and quipping their way through a variety of levels on this very un-PC shooter. Interested? It's out on 23 November on your Xbox 360 and PS3.

PLAY AS STEWIE

The baby packs a silly arsenal of freeze guns, flamethrowers and electricity rifles, plus hit the right bumper for a pooey nappy special grenade.

"Fire in the disco, b*tches!"

PLAY AS BRIAN

Brian's more conventional bullet-based weapons are sniper rifles and shotguns, and some can be upgraded for cash. His special weapon is firebombs.

"Come back with my hairdryer you thieving mutt!"

Panic on the streets of Quahog

GAMES

Campaign missions which you can also play in two- and four-player co-op, and deathmatches, featuring loads of classic *Family Guy* characters.

"Aaaand lift-off!"

BOSSSES

We fought a fire-breathing Amish robot, an arms-dealing Father Christmas, and the Crippletron (above), led by Peter's friend from the show, Joe.

Brian had taken bullying to an unacceptable level

ENEMIES

By far the silliest enemies are to be found in the "Handicapable" level, consisting of crippled chaps with machine guns for crutches.

BONKERS LEVELS

We tried "It's All Greek To Me" based in a frat house, "Something Amish" vs the Amish, "Handicapable" vs disabled chaps and "Santa's Sweatshop" vs evil elves.

"Back off, or I'll blast y'all into nuggets!"

Gag reel

As expected, the game's full of funnies...

While Brian reloads:
"Hang on, I've got to reload, you d*ck."

Jock: "I was too popular in high school to die! I'm angry. But not because I'm gay!"

Amish chap: "I think thou hast mistaken us for Quakers. We don't mess around!"

Paedo OAP Herbert looking at girls' dolls: "These little dolls don't talk, or tell the authorities anything, do they?"

Amish preacher: "Let us thank God for making it easy to cheat on our wives because they can't check up on us through text messages or the internet."

Amish henchman: "Lord forgive me for this whooping I'm about to bestow on these two!"

Santa boss on his arrival:
"Hey jerks! You two can kiss my big, brown sack!"

"The only presents you guys are getting is bullets!"

Stewie finishes Santa Claus off by dropping a TV on him: "Yeah! Check that twice, b*tch!"

Verdict

This isn't a game to test any player's mettle, but bar some awful platforming, it's a silly and raucously fun blast around *Family Guy* world.

242mph Porsche 911

1,000+bhp monster hits 180mph in 15.5 seconds!

- The Germans are clearly awfully talented car builders. They're also pretty neat when it comes to customising. It's just a bit of a shame when they create something with 1,005bhp that'll do 242mph, and name it the Muscle Play!
 - Yes, we know, this came out nearly three years ago – but there's method to our madness. You see, Porsche hasn't yet released a GT2 RS of the new 991-variant 911. So what you're looking at here is a heavily breathed-over version of the last GT2 RS. Snazzy, no?
 - Which brings us on to the beautifully titled Wimmer RS Muscle Play.
- Wimmer is a German tuning house from Solingen who thought it wise to furnish the RS with almost double the factory performance figures. More power than a 987bhp Bugatti Veyron, in fact. So now it has 1,005bhp (1,020hp) of metallic brawn.
- Astonishing really, given that the 911 still only packs a 3.6-litre flat-six engine. Wimmer did unbolt the whole unit and reassemble the motor with new parts: like custom camshafts, crankshaft, timing chains, machined cylinder heads, pistons, connecting rods, fuel pump, manifolds and different, much larger, turbochargers. So, everything.
 - In standard form, the GT2 RS was savage. It would do 205mph and reach 62mph in 3.5 secs. This Muscle Play reaches 389kmh (242mph). Compare it to the Veyron, which is only 11mph faster at the top end, but needs an 8.0-litre 16-cylinder engine with four turbos and 4WD.
 - Also, a Veyron will master 0-186mph in 16.7 secs. If you can hold onto the manual box and back end, the Wimmer apparently records 0-180mph in 15.5 seconds: cue slackened jaws and lifetime bravery medals. If you want one, you really need to want one, as you'll be handing over around £250,000.

Dinner time!

- The Nile crocodile is the largest Africa has to offer, growing up to 5.5m in length.
- The bite force exerted by an adult is around 5,000lbs per square inch. A great white shark's is 4,000, a rottweiler's 335.
- But crocs rarely kill with a bite. They grab with this force, then roll the prey under the water so they drown.
- To aid digestion, crocs flush their stomachs with carbon dioxide-loaded blood (from being underwater for yonks), resulting in excess acidity to dissolve their lunch.

How can I cut the strings?

I've never had a one-night stand before. I always seem to get emotionally involved with whoever I sleep with. What's the best way of going about getting some no-strings fun?

GARY Stockport

You're looking for a f**k buddy, not a one-night stand. Get on the internet and get no-strings dating! Then, the more you get to know a girl's body, the more experimental you can be.

MARK via email

LETTER OF THE WEEK!

Can I film the action?

I'm dying to record my girlfriend going down on me, but she's worried it'll get into the wrong hands. Is there any way of convincing her that it's for my own personal use?

JD via email

Perhaps instead of thinking about yourself, you should be thinking about your missus. Propose a home video. Never film faces - it's the rules! Ask her what her all-time favourite position is, be her slave and she will do anything. Whenever you want to watch the video, it will be with her. You will gain her trust and eventually, she will return a similar favour. Never beg, always be patient.

There are medicated drugs you can take for premature ejaculation. They take a few hours to kick in and help you "stay bigger" for longer. Have a

Google. I think you should also look into tantric sex, as it could help release your thoughts and delay your excitement. It also really improves your sex life.

Is she playing away?

My girl is in the uni hockey team and is always going out getting wrecked at other universities after matches. All I think about is her having sex with other lads. How can I get this out my mind?

ED Winchester

At uni, news spreads quickly so, if she is doing the naughty, you'll soon find out. Personally, I think university relationships should be taken lightly. What sport do you play? If you don't, perhaps you should start. You need to try to trust her, but concentrate more on setting your life up for the future.

- If you've got something to ask Danni, just email her at thelesbian@nutsmagazine.co.uk or write to her at the usual Nuts address on p72.

SHERLOCK HOLMES and Dr Watson go on a camping trip. After a good meal and a bottle of wine, they go to sleep. Some hours later, Holmes wakes up and nudges his friend. "Watson, look up and tell me what you see."

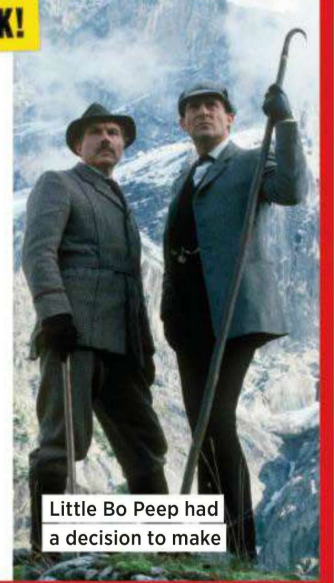

Watson replies, "I see millions of stars."

"What does that tell you?" asks Holmes.

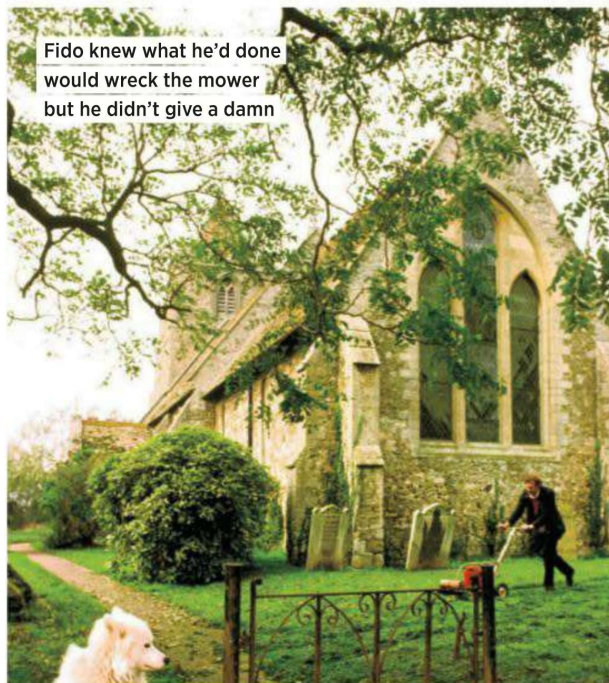

Watson ponders for a minute. "Astronomically, it tells me there are millions of galaxies and billions of planets. Astrologically, I observe Saturn is in Leo. Horologically, I deduce the time is quarter-past three. Theologically, I can see God is all-powerful. Meteorologically, I suspect we'll have a beautiful day tomorrow. What does it tell you?"

Holmes is silent for a bit, then speaks. "Watson, you're a tw*t. Some arse has stolen our tent."

Danielle Sharp!

One of the hottest
new babes of 2012 in
a seriously saucy shoot!

WorldMags.net

DANIELLE SHARP

**"I always feel
sexy when
I see myself
in *Nuts!*"**

Hi Danielle! What do your friends think when they see your shoots?

They get very excited. My

friends all think it's awesome. The guys are very impressed, obviously! I don't think a few of them can believe I'm getting my boobs out. I guess it's a nice surprise for them.

Do you rush out and buy *Nuts* the moment it's out whenever you're appearing in it?

I'm too shy! I always feel a little freaked out when I have to buy the magazine in case the guy at the counter recognises me and we have to have a conversation about it. I always feel very sexy when I see myself in *Nuts*, though.

Where's the weirdest place you've seen yourself?

In a petrol station. That was awkward! I had to stand in front of *Nuts* so no one else in there pointed me out. Ha-ha!

Where should a man take you on a first date?

I think I'd need to be taken out for coffee: first of all it's cheap and secondly, we can escape if we don't like each other!

Describe your most recent underwear purchase...

Some very hot, lacy knickers – they have a really classic vintage feel. I go for that kind of look rather than brightly coloured string underwear.

When was your last proper messy night out?

I haven't had one in ages. Even though I'm 21, in Grimsby you need ID to get in everywhere. Maybe I should take a copy of *Nuts* out with me. Also, I'm a pint drinker, but I'm a professional lightweight!

Thanks, Danielle! Finally, who is your celeb girl crush?

Obviously I love all the other *Nuts* babes, and Lucy Pinder is gorgeous. But I have a crush on Megan Fox. I really like hot girls with tattoos! ❌

"I have a crush on Megan Fox – I like hot girls with tattoos!"

50 CENT

The hip-hop veteran – aka Curtis Jackson – on his new album and Carly Rae Jepsen!

How's it going Curtis? Last time you were in the UK, our food put you in hospital. What was it you ate?

Man, I had never had food poisoning before that day, and it was so bad. I was throwing up on the drive to the airport. I said to my manager, "You better tip this poor guy who's driving us!" I got on the plane but felt so bad when I landed in New York, I checked myself into hospital. I still don't know what it was that caused it, but it wasn't pretty.

What do you make of British food in general?

Yeah, I think it's good. I like it. I ain't going to hold no grudge against British food, man. Food poisoning can happen anywhere you go in the world!

You have a new album out. Tell us all about that...

It's a new sound and I've set a whole new level for myself. While we were recording the album in the studio, I was constantly listening to Biggie and Tupac. It was a constant reminder of the level this album needed to be at.

There are heaps of megastars on it.

Who was the most fun to work with?

You know, I would only ever collaborate with artists on my album who I respect. It's tough for me to say which one I had the most fun with because they are all so talented in very different ways. There is something about working with Dre and Eminem though. They've been there since the beginning, and what Dre doesn't know about producing a hip-hop album isn't worth knowing.

You collaborate with the lovely Alicia Keys, too. What does she smell like?

That's a weird question – and not one I can answer without sounding creepy! Ha-ha! *New Day* (ft Alicia Keys & Dr Dre) is a track I'm very proud of, and I'm thankful to have an artist as talented as Alicia to lend her vocals to it.

Another collaborator – Chris Brown – isn't exactly the most popular chap in the UK. Is he a bit of a berk?

You know, we all have a past, and we have all done sh*t we aren't proud of. A man should be able to deal with his

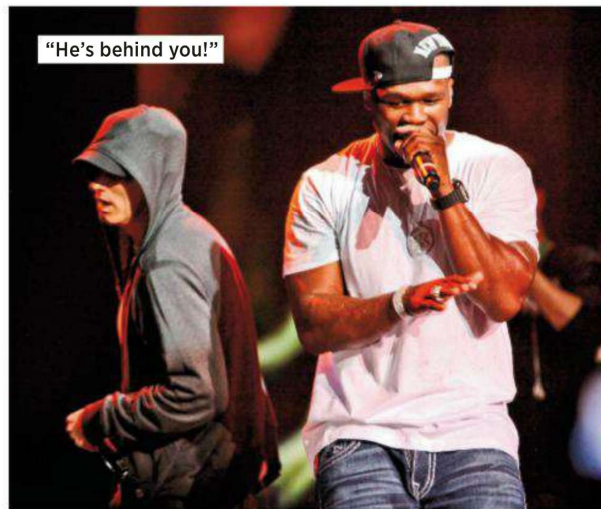

past in private and leave it. There is no question the guy is talented as an artist.

What's the craziest thing you've done this year?

I was in hospital twice in the space of two months – once with food poisoning, and then with a car accident. Eminem called me at the hospital and was like, "Man you survived being shot nine times. You sure as hell ain't gonna let food poisoning get ya!"

Do you think you'll ever make a song that tops *In Da Club*?

As an artist you're always looking to better what you've already done. I don't want to think I've already made the best movie I'm ever going to make, or created the best track I'm going to put out. At the same time though, it was a ground-breaking record and was in *Rolling Stone's* 500

Greatest Songs Of All Time and is still making dance floors go crazy nearly ten years after its release.

Has it made you rich for life?

I am worth a lot, but it doesn't matter how much. I have to keep thinking outside the box. You can get rich from music and film, but if you want to take it to another level, you've got to get creative in business.

What do you do to relax?

I am so busy making music and making movies that I don't even do much relaxing. When you start relaxing, you stop making money. I do like going to Las Vegas though. If I'm going to take a vacation anywhere it'll probably be there. I think every man should experience Vegas at least once in his life.

What's the last TV show you watched?

Dancing With The Stars [US TV dance competition], when [professional boxer] Floyd Mayweather was on it, and I haven't stopped watching since.

You were on *The X Factor* last year. Are shows like that good for music or not?

You know, it doesn't really matter what anybody thinks of them, the fact is they're here. These shows are watched by 20 million viewers and make guys like Simon Cowell tens of millions of dollars. If you want to promote something, there ain't much of a bigger platform than *The X Factor*. You either move with the times or you get left behind.

Who's better looking – British or American girls?

That's a big question! You've got Cheryl Cole, but we've got Rihanna! That one is impossible to answer.

What's your guilty pleasure track?

We like a bit of

Carly Rae Jepsen...

This is a either a big coincidence or you guys have done your research and are trying to play me. I'm not a fan of that genre of music, but I do like *Call Me Maybe*. I shouldn't like it, but I do!

Thanks, Fiddy. Finally, based on the current exchange rate, can we call you 30 Pence next time you're over here?

I can confirm that you can never call me that. I mean never!

**“I’ll do anything
on camera, I’m
not that shy!”**

Hi Holly! Last time you were in *Nuts*, you promised to up the sex factor for the new series of *Geordie Shore*.

How's that going for you?

We're going to get drunker, crazier and a lot wilder. It'll be a lot of fun. Sex on camera is probably better than normal sex, because you've got to try harder knowing that people are going to watch it.

Blimey! Do you worry about showing your best angles?

Angles aren't really on your mind when you're doing it on telly. You try to stay under the covers the best you can. I'd probably do anything on camera. I'm not that shy!

There are two new blokes this series. Will you be trying it on?

Yeah, I'm the only single girl at the moment so I've got the pick of the bunch! I can have anybody I want. I get along better with blokes anyway.

What do you look for in a man?

I've got a thing for army lads. I like a manly bloke, but don't want someone who goes to the gym twice a day, eats healthily and doesn't drink. That's just boring. I prefer someone with a rough job so they can party.

Who has the best boobs on *Geordie Shore*?

Sophie is a massive E-cup! I touch them all the time!

You let the chaps enjoy a beer dispensed by your boobs in series one. Is that a party trick?

Sort of! If every man started drinking beer out of girls' boobs then it wouldn't be a novelty. If you do it now and again, it stays fresh. I served a whole pitcher of cocktail from my boobs once!

We hear you've been toying with chopping your long red locks into a bright red bob. What are your current thoughts?

That's something I've been asking my fans on Twitter. I don't know if I'll ever do ▶

HOLLY HAGAN

it. There's no such thing as a quiet night out with red hair – there's no hiding! I guess I could wear a wig, but how would I hide away my massive boobs?

You ladies don't wear much on a night out. What on earth are you like in hotter climes?

We've done *Geordie Shore* in Magaluf! If we went to Africa, we'd probably walk around naked, but with lots of insect repellent. You don't want insects biting your fairy!

TOWIE's Mark Wright told *Nuts* he wasn't a *Geordie Shore* fan. What say you to him?

He's lying! We were with him the other night and he said he likes the show. Maria Fowler was out too and she loves it.

***I'm A Celebrity...* is back. Could you handle a Bushtucker Trial?**

I could never do *I'm A Celebrity...* I wouldn't last a second. I'm pretty laid-back, but where creepy-crawlies are concerned, I'm a total diva.

Have you seen *The Valleys*? They're giving you lot a run for your money!

There's a level to being fun and drunk and a little bit crazy but also being likable. *The Valleys* have looked at us and thought, "What can we do to be wilder?" They take it to a different level where it doesn't look fun any more and it's really forced.

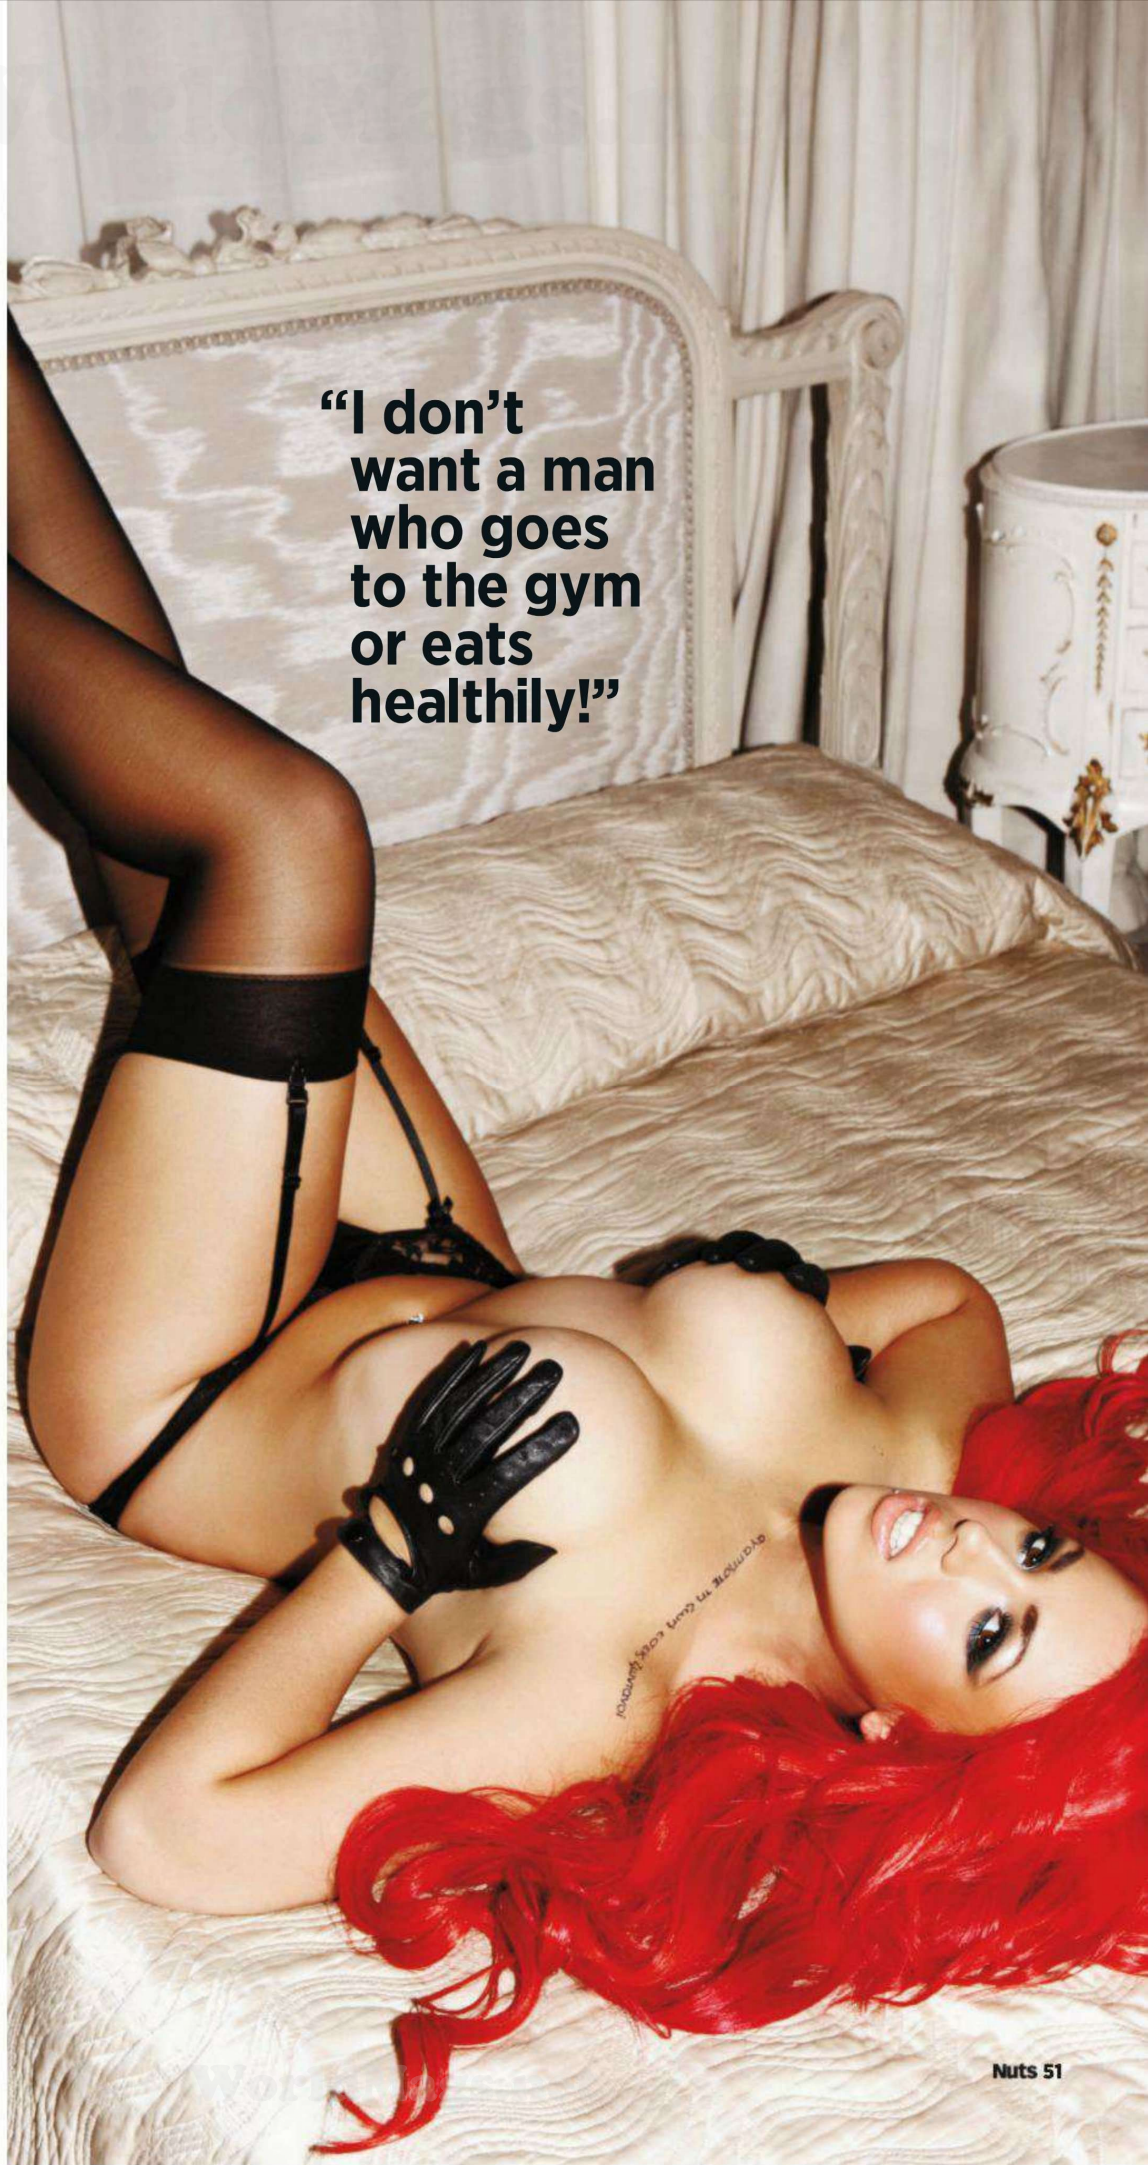

A recent survey said the Welsh are randier – what proof do you have that it's the Geordies?

There's a difference between having fun and getting your fanny out for every single person. We're not like that on *Geordie Shore*. We do have sex – but it's for fun, not for the attention. *The Valleys* just comes across as desperate.

Lateysha and Nicole from *The Valleys* are always snogging each other. Why don't you try that with Vicky?

Because we have other things in our show that are actually ►

"I don't want a man who goes to the gym or eats healthily!"

HOLLY HAGAN

"I'd like to be on *Top Gear* and have a race against The Stig!"

good to watch other than some girls snogging each other. We have actual humour, family bonding, laughter, make-ups and break-ups. All they have is girls kissing each other and loads of arguments.

Imagine if the *Geordie Shore* lot went on an episode of *The Valleys*. What would happen?

I'd tell everyone to stop showing off, to be themselves and to stop trying so hard. My mum can't even watch it and she's my worst critic. If their show was better than ours, she'd say so!

Charlotte and Sophie met Cheryl Cole recently. What would you have said to Chezza?

I would have said, "Hiya! You alright? Do you watch the show? Do you like it?" She doesn't want to hear, "You can do so much better than Ashley" or, "You're my idol!" She's heard all those things a million times before, she's never going to remember you if you say stuff like that. I'd just have banter with her.

Would Cheryl be rude enough to join your raunchy ranks?

I think if Cheryl Cole had gone on *Geordie Shore* when she was my age, she'd have been so amazing! She'd probably have been exactly the same as me! Now she's got all the media attention, she probably wouldn't want to embarrass herself and probably wouldn't be as fun as we think she would. I reckon she'd be a lot more fun after she'd necked a few Jägerbombs, though!

If you could go on any other TV show, what would it be?

I love cars so I'd probably be good on *Top Gear*. I'm proper into my motors and I'd like to race The Stig.

Thanks for the chat, Holly. Finally, Clarkson, Hammond or May... would you?

Ha-ha! You know what? I'd probably have all three of them at the same time!

Six Geordie Shore Shockers!

We ask Holly to relive
and rate the show's
rudest moments!

1. HOLLY'S COCKTAIL BRA! Series 1, episode 1

The event: On the first night, Jay drinks from a bottle of beer handily placed between Holly's boobs, proving that her assets know no bounds!

Holly's verdict: "I'd just gone in the house and was showing off!"

SHOCK FACTOR: 6

2. NEW PANTS, PLEASE! Series 2, episode 4

The event: In bed with Gary, Charlotte does a tramp, then laughs so much at the ensuing eggy smell that she wets herself. You had to be there!

Holly's verdict: "I think that was in Ricci's nana's bed! Not that shocking."

SHOCK FACTOR: 3

3. SICKY HOLLY! Series 2, episode 6

The event: Holly takes the phrase "sick in bed" to a literal meaning!

Holly's verdict: "That's not even that shocking! I'd been out for a meal, I was mortal and I just threw up in my bed."

SHOCK FACTOR: 3

4. HOLLY'S DIRTY DARE! Series 3, episode 7

The event: Whilst in Cancun, Holly appears to be helping James with a broken zip. That's what's happening, right?

Holly's verdict: "Oh, my God! I was giving him a blow job. They dared me."

SHOCK FACTOR: 9

5. SPITTING FEATHERS! Series 1, episode 6

The event: A heated argument about the chaps being rude to Holly ends with Vicky gobbing in Jay's face. Charming!

Holly's verdict: "Wow! I wasn't even there. She was sticking up for me."

SHOCK FACTOR: 5

6. POOGATE! Series 3, episode 8

The event: Charlotte has an unexpected evacuation of her bowels. Amazingly, she disposes of the evidence in the kitchen bin. Crapes!

Holly's verdict: "She had diarrhoea. It looked like Nutella!"

SHOCK FACTOR: 8

Kill List

FILM4/HD • 10.50pm

An absolutely stonking homegrown Brit flick which mixes up horror and hitmen, culminating in a fantastic film. Two ex-soldiers, who now go about their time performing hits, take on one last job. But, on this final 'kill list', they come face to face with the occult. Scary and darkly comedic, we can't recommend this enough.

This new superhero/vigilante drama has just been given a full run, which means this first series is gonna have a whopping 23 episodes! Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

CONFESSION OF THE WEEK!

'Our fun in the changing room'

ME AND my fiancé decided to go to the pool. While people were swimming around us, we got a bit naughty. We sneaked out into a cubicle and as he slid his swim shorts off, it was clear how horny he was. He bent me over, sliding his big manhood inside me. It was so hard and I was the hottest I've ever been – especially knowing people were just outside the cubicle. I had to bite my lip to stop myself screaming. When we got home, we were still talking about it and we got horny again! This time I could scream as loudly as I wanted!

Emma Wales

'I bent over the balcony'

I WENT to Gran Canaria this summer for my first holiday with my boyfriend.

On our last night, I wore a white dress that showed off my tan and massive cleavage. We were having pre-dinner drinks on the balcony and, as they started to take effect, I pulled the straps on my dress

down in a very suggestive manner. He got the hint and pulled up my skirt, moved my thong to the side and took me doggy-style over the balcony as my boobs fell over the railing. The perfect end to the holiday!

Amelia via email

'My secret birthday boy'

FOR MY 20th birthday, I went out to a posh hotel and wore a figure-hugging red silk dress with daringly low cleavage and a high slit up the thigh. The guy I was seeing said I looked nice and then spent most of the night at the bar. Another guy caught my attention. He was a typical lad: arrogant, loud, dominating but fit. He kept staring at me and I just had to have him. I dipped my finger in my champagne and licked my finger slowly. I left the room and he was right behind me. In the bedroom, I slipped the dress down to reveal my boobs and poured champagne all over them. He licked my wet breasts and teased my hardened nips as I unzipped him and rubbed his hard package. I pleaded for him to be rough, and we had the most intense sex ever. Now it's a toss-up between my nice accountant boyfriend and my rough-and-ready bad lad!

Fi Carlisle

'Wine made us horny'

MY BOYFRIEND had been working 12-hour shifts, so we hadn't had the chance to have as much sex as we normally would. The night after his last shift, we enjoyed sitting in together at home with a film, good food and nice wine. The tipsier we got, the hornier we got. We couldn't stop licking each other and had loads of long-lasting teenage snogs! When we realised we were out of wine, I grabbed my coat, he put his shoes on and we headed to the nearest 24-hour shop. The five-minute walk took much longer than it usually does, as we stopped for some naughty outdoor sex behind a bush. I laid my coat on the floor to relieve my knees as my boyfriend pounded me from behind. It was the sexiest trip to the corner shop ever!

10 RUDE QUESTIONS!

And a real girl to answer them!

Nicole

25 Essex

1 Where's the strangest place you've had sex?

"I lost my virginity in a sunbed shop with my first boyfriend. We got locked in the shop because the assistant didn't bother to check the cubicles. It was crazy!"

2 What's your trademark move in the bedroom?

"Going under the sheets and disappearing for a bit always works for me. That's something a bloke really enjoys!"

3 What really turns you on in the bedroom?

"A good kisser and taking control, being the little minx that I am. It especially turns me on when the guy can't get enough."

4 What's your favourite position?

"I love being on top. It's the best feeling ever seeing a guy lying there thinking, 'Wow!'"

5 Is it better to give or receive?

"A bit of both does the trick. I normally give though, which has never been a problem for me!"

6 What one thing would you really like to try but haven't yet?

"I can't say there's anything I'd particularly like to try that I haven't done yet – unless we can count Danny Dyer. Ha-ha!"

7 Ever got it on with another girl?

"To say I've never kissed another girl would be lying, but it wasn't serious – it was just for a laugh!"

8 What's your favourite role-playing costume?

"I love to dress up as a sexy prison officer, as I really like a bad boy!"

9 Have you ever made a sex tape?

"I have actually. It's naughty, I know, but it was really good fun at the time. It wasn't so good when the boy came back from a trip to Las Vegas and told me that he'd lost his phone, though!"

10 What's the rudest thing you've done?

"Once, I had a really long drive home late at night with my boy. After a bit of filthy chat, I demanded he pulled over, and then I sorted him right out!"

"I love to dress as a sexy prison officer!"

EXCLUSIVE!

Nathan Cleverly: 'I can't afford to lose this fight!'

The Welsh boxing champ on fighting in LA, *Strictly Come Dancing* and Bradley Wiggins!

Hi Nathan! All your WBO light-heavyweight title

fights have taken place in the UK so far. Will your performance be affected by the fact your next fight's in LA?

Preparations are going really well and I'm inspired by the fact that I'm fighting in America. It's a new challenge, new territory, and my opportunity to make a statement in the US.

Your record is undefeated so far. How do you intend to keep that intact?

There's more on the line and there's more to lose. But

I think the added pressure will raise my performance and it's more satisfying when you beat someone if you've never lost.

Do you have any mad rituals before a fight?

I eat spaghetti bolognese!

Where do you see your career going after this fight?

Hopefully I'll get the really big fights I want, like the unification fights. To do that, I need American exposure, so hopefully this bout will help.

Who's been your toughest opponent to date?

The most awkward one was [Nadib] Mohammedi, the French guy I fought in 2010. I went into the fight a little bit below par, mentally and physically. I wasn't 100 per cent. It's one of the only times I've gone into the ring in that condition and Mohammedi caused me a few problems. Still, I made sure I got the win.

Lots of boxers take part in boxing reality show *The Contender*. Is that something you'd have considered?

Yeah. I remember being offered a place in *The Contender* many years ago. I agreed to do it, but a representative said I was too inexperienced.

Would you ever be up for going on any other reality shows?

Probably, if they asked me. It's a challenge outside of boxing. I'd do something to keep my interest going outside my work – maybe dancing! I'd probably give *Strictly Come Dancing* or *Dancing On Ice* a crack!

How do you celebrate after you've finished a fight?

I consume a little bit of alcohol, which is nice and refreshing. It doesn't take too much to get me drunk after the fights so I've got to be careful! I like to go on holiday and get a bit of sun, too – just relax.

You support Cardiff City. Would it be a dream of yours to fight at the Cardiff City Stadium?

Definitely. That's an ambition of mine. I'm looking to fight there, possibly, in summer 2013. We're looking to do a big title fight there. I've actually got backing from the football club and support from all the fans down there. I think they'd love to see it, so let's see if we can get that going!

What do you make of the club's change from blue to red shirts?

I really have no issue with it because ultimately, the idea behind the change came because of investment – as you

can see, we're at the top of the league now, so it's so far, so good. I can understand some of the fans complaining because the traditional colour's blue, but it's for the best.

Who do you think should win the BBC Sports Personality Of The Year?

There could be a few to be honest. It could be Mo Farah, it could be Jessica Ennis, it could be Bradley Wiggins, or Chris Hoy – any one of those four. But I'd probably go for Bradley Wiggins after winning the Tour de France, especially after all the speculation coming out about Lance Armstrong. Bradley Wiggins should be the winner.

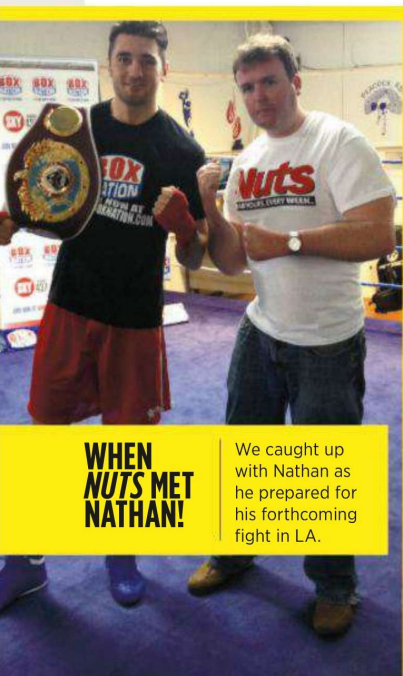

Thanks, Nathan! Finally, you have a maths degree. What's 33 x 8 – 11?

[Mouths multiples of numbers.] 253?

Correct!

Greatest *Family Guy* box set ever!

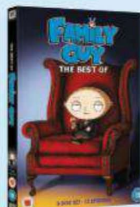

It's enough to make us go "Giggity, giggity goo"!

➔ **THANK THE** Lord they didn't ask us to compile the new *The Best Of Family Guy* DVD 'cos we love it so much here at Nuts that deciding what to leave out would have led to some serious fisticuffs. And nobody likes to see wheezing, overweight men going at it. So rather wisely, they asked show creator Seth MacFarlane to pick his ten favourite episodes instead.

In among his picks you'll find a few favourites we did all agree upon, including "Road To Germany", "PTV" and the superb "I Dream Of Jesus" in which the show's portly star Peter Griffin delivers a version of *Bird Is The Word* that would light up any *X Factor* audition! On top of that, you get the UK's highest voted-for episode by *Family Guy* Facebook fans, the brilliant two-parter "Road To The North Pole" – yup, the one where Stewie and Brian try to kill Santa!

This brilliant collection also comes loaded with bonus features including the classic "Seahorse Seashell Party", which has never been available on DVD before, plus two brand-new specially created exclusives, "The Ten Commandments: Presented by Family Guy" and "The Incredibly Bad Choices Of Peter Griffin"!

Hilariously offensive, this is the ideal present for your gran. Only kidding! But, seriously, get the old dear to buy it for you 'cos it'll make you laugh out loud!

What Di Matteo is doing right!

Chelsea legend Pat Nevin on young Roberto's recipe for managerial success!

➔ **IS ROBERTO Di Matteo** the greatest "caretaker" manager ever, as he – as many suggest – keeps the

Chelsea hotseat warm for Pep Guardiola? 5 Live's Pat Nevin explains where it's all going right for the Champions League winner...

"Boss, I can't... breathe... gah!"

HE'S MANAGING WITH NO PRESSURE

"I want the best for Roberto, but if Chelsea bring in Guardiola, I doubt there'll be any gnashing of teeth. Robbie's done a great job, but he'll get another good job because of what he's done there. He's got a different job to Andre Villas-Boas - 'Keep the players happy, play however you like this season, and by the way, next season you're getting some fantastic players.'"

"Chelsea? I've never heard of them!"

THE RIGHT TEAM COPYING THE RIGHT TEAM

"New team, new philosophy – a team of young bucks playing in the Barcelona style. So it's *the* model to copy but I've not met a professional footballer who would turn down the chance to play under Pep Guardiola. Robbie is surrounded by the likes of Hazard and Oscar, and his back-up players are unbelievable. They're very much in contention for the title."

Roberto's still got the silver hat at home

HE'S CHELSEA THROUGH AND THROUGH

"It's a nice bonus to have an ex-player running the show, although to be fair, if an ex-Arsenal player had won them the Champions League they'd probably love him! But he's one of the Chelsea family and that has certainly helped him. And he didn't do too well in his last job, he surprised a lot of people outside the club when he came, and so he's happy to be there too."

CALM IN TIMES OF TROUBLE

"People can get a bit overexcited by turbulence at a club, but players just like to go into training and work with someone who they like. When this happens, stuff off the pitch tends to just breeze over them. Nobody at Chelsea, when they're on the pitch, is thinking about John Terry. Robbie has dealt with Chelsea's ups and downs well. He just grooves along nicely."

"It's not easy for us one-legged players, you know!"

THE QUICK CLICK OF "THE THREE AMIGOS"

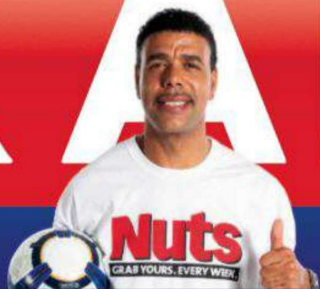

"Everyone takes the mickey out of clubs who follow the Barca model and employ a Director of Football, but when they get it right... If either two of Mata, Oscar or Hazard has a good game, Chelsea will beat Shakhtar, and if all of the three do, they'll hammer them. For years I wanted to play that style! I'm totally amazed by how quickly they've gelled. And so young too."

TALKING HEAD!

Pat Nevin is a football pundit for Radio 5 live and appears on *The Friday Night Club* with Colin Murray.

"You looking at me, Pat?"

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Turn. The.
Sprinklers. Off!"

Mancini will be given time!

Despite his European losses, the gaffer's got backing!

➔ I'D BE surprised if Roberto Mancini's sacked as Man City boss if they exit the Champions League in the group stage. Because they won the Premier League last season and the FA Cup in 2011, the owners will still feel they're going forward.

When Mancini came to England, he was very

defensively minded. But when Man City were 2-1 up against Real Madrid they didn't sit back, yet when they were 1-0 up against Ajax they did. It's strange.

Mancini openly admits he got the tactics wrong. If they'd got a result out of that Real Madrid game, their whole campaign could have worked out differently.

I think the club's still a work in progress. Not many managers are in charge of a club with the wealth and expectation of Manchester City – it's a relatively new thing. You're going to make mistakes along the way. Retaining the Premier League title will determine whether Mancini's there at the start of next season.

"Table for one?"

"My thoughts on Blackburn!"

IF DIEGO Maradona had become Blackburn's new manager, as was rumoured, he'd have brought even more glamour to our game. In the same way, Paolo Di Canio has in League One at Swindon, Maradona could have brought that to the Championship.

I don't think that was ever going to happen though. Blackburn have gone with Henning Berg, but I thought Alan Shearer would have been the perfect manager for them.

He'd have put 10,000 on the gate and brought all the sponsors back. The feel-good factor would have returned, too. Food for thought...
